**DISCUSSION ITEMS**

VI. Other  
Gary says everything is running smooth.

Amy says that a few people wondered through the livestock barn last night but there were only a few other people in there. It wasn't an issue but we don't want to broadcast that the barn is open to the public.

VII. Schedule of Events for the Day, who is doing what?  
We need to break the security guards today sometime mid-morning, for lunch and mid-afternoon. MB says she can go to work and come back. Steve said he's bringing his boys down for the Swine show and can help break the guards.

In the office, Hadley is working on Horse Show entries and assigning back tags. Entries close today at 5PM. There isn't much anyone can do to help; it's kind of a one-person job.

VIII. Adjourn at 8:07AM.
