

# Floodplain Development Fee Schedule

Fees are due at the time of application. Examples are listed for typical small-scale and large-scale projects. The Applicant should contact the Floodplain Administrator (307-733-3317) if they need assistance determining the project category. The Floodplain Administrator shall consider the scope of the project, anticipated public involvement, project complexity, and the likelihood of follow-up administration. Considering the complexity of the project, the Floodplain Administrator may assess additional fees or require external/third party review by a qualified professional of the County's choosing and at the Applicant's expense.

## Floodplain Permit Application Fees

<b>Small-Scale Project</b>	<b>\$600</b>
(May typically include, but not limited to: single family residential structures and additions; small ponds; on-site septic & repair; minor grading in floodplain fringe; utility crossings; small culverts and irrigation structures; debris removal; or other projects as determined by the Floodplain Administrator)	
<b>Large-Scale Project</b>	<b>\$900</b>
(May typically include, but not limited to: floodplain studies; floodway encroachments; non-residential floodproofed structures; new or expanded Subdivisions; watercourse alterations; bridges; in-stream and flood control structures; gravel pits; multi-unit dwellings; stream restoration or stabilization; or other projects as determined by the Floodplain Administrator)	

## Compliance Fees

(Failure to obtain permit prior to commencing development – not including an Emergency Waiver; which must be pre-authorized by the Floodplain Administrator)

<b>Small-Scale Project/After-the-Fact permit</b>	<b>\$1,200</b>
<b>Large-Scale Project/After-the-Fact permit</b>	<b>\$1,800</b>
