

## COVID-19 Resources and Health Order Updates – June 4, 2021

### 1) SHOTS FOR SWAG!

- Teton County Health Department has launched **Shots for Swag – A Hole Community Vaccination Campaign!**
  - Throughout the months of June and July, we will be giving away awesome swag from generous local businesses to say *Thank You* for getting the COVID-19 vaccine. If you've received at least one dose of the vaccine and live or work in Teton County, you could be the lucky winner of weekly prizes or one of many incredible GRAND prizes.
  - The goal of the campaign is for 80 percent of the eligible population in Teton County to be vaccinated against COVID-19 with at least the first dose of the vaccine by the week of July 26, 2021. We currently have 69% of our eligible population vaccinated.
  - To learn more and to enter the raffle, please visit: <https://shredthespreadjh.com>.
  - Please encourage your employees to enter!

2) We remain in the Green (New Normal) Risk Level. Let's keep us there!

### 3) Updated Statistics:

- Between May 21, 2021 and June 3, 2021 Teton County detected 12 new cases. This is a 46% decrease from the previous two-week period.
- 1.3% of COVID-19 tests in the past two weeks were positive.
- 67% of cases in the past two weeks have been due to community spread.
- As of 6/3/2021, there were 7 known active cases in Teton County.

### 4) Health Orders and Recommendations:

- **Statewide Health Orders**
  - There are no Statewide Health Orders currently in place.
- **Face Covering Order/Mask Updates**
  - [Public Health Order #21-4](#) requires face coverings in K-12 schools throughout Teton County, WY from June 1, 2021 through June 11, 2021.
  - Teton County Health Department recommends community members to continue to follow the [CDC's guidance for mask usage](#).
  - **Local businesses, organizations, and event planners may develop their own policies for their staff and customers, as long as accommodations can be made for those requiring exemptions.**
    - Here are a few reasons why you may want to consider continuing to have a mask policy at your establishment or event:
      - You may have staff that are still not fully vaccinated or have underlying medical conditions.
      - Since you cannot ask customers if they are vaccinated, you may choose to continue to have a mask policy to protect your staff and patrons until a larger percentage of the US population has received their vaccine.
      - Children under the age of 12 are not eligible to receive a vaccine yet.
      - Infection after vaccination, though rare and often significantly less severe, **can** happen.
  - [Resolution for Mask Order at Certain County Buildings](#) including the Teton County Health Department, the Emergency Management Center, the Hansen Courthouse and the County Courthouse is valid through June 30, 2021.

- [Federal Mask Mandate](#) for federal buildings and federal lands.
- CDC has a Requirement for Persons to Wear Masks While on Conveyances and at Transportation Hubs. Learn more [here](#) and [here](#).
- [TSA Security Directive for Airports/Airplanes](#) which is valid through September 13, 2021.

- **COVID -19 Guidance**

- Teton County Health Department recommends that businesses and organizations follow COVID-19 guidance as developed by CDC.
  - COVID-19 Guidance for [Retail Businesses](#) (updated 5.11.21)
  - COVID-19 Guidance for [Hotels, Resorts and Lodges](#) (updated 5.11.21)
  - COVID-19 Guidance for [Restaurants and Bars](#) (updated 5.11.21)
  - COVID-19 Guidance for [Gyms, Fitness Centers, Pools and Hot Tubs](#) (updated 5.11.21)
  - COVID-19 Guidance for [Gatherings and Events](#) (updated 5.11.21)

#### 5) COVID-19 Business Toolkit:

- Check out the Teton County Health Department's [Business Toolkit](#). Lots of great resources including testing info, how to talk to your employees about vaccines, etc.

#### 6) Testing Update and Resources:

- **WHEN TO TEST?**

- If you have symptoms (vaccinated or not) – test immediately. Individuals should leave work and isolate from others until they receive negative results (see below if exposed).
- If exposed to someone who tested positive (likely to hear from Public Health):
  - **FULLY VACCINATED** (>2 weeks after last recommended dose): Test if symptomatic and isolate until negative test result received. Otherwise, no quarantine required (exception is congregate living/high-density workplace). Monitor for symptoms for 14 days.
  - **NOT FULLY VACCINATED**: Quarantine and test at appropriate time (immediate if symptomatic; no earlier than day 5 if asymptomatic). Monitor for symptoms for 14 days.
- **Surveillance testing**: recommended for unvaccinated individuals.

- **FREE CURATIVE CHEEK SWAB TESTS:**

- Kiosk Locations:
  - Teton County Library Parking Lot (open from Monday through Friday 8AM – 3:30PM)
  - Deloney Bus Station (open from Monday through Friday 7AM - 3:30PM)
- Walk-ins welcome or make your appointment on [curative.com](#).
- Print and post the [revised Curative Testing Flyer](#) to promote free COVID-19 testing for both locals and visitors. Reach out if you would like to request copies.

- **FREE VAULT SALIVA TESTS:**

- Vault tests are still available to order for free for [individuals](#) and [businesses](#).
- Also available to pick up outside the Teton County Health Department.

#### 7) COVID-19 Vaccine Update:

- **Vaccine Appointments are OPEN for all individuals 12+**

- Vaccine clinics are now held at the Teton County Health Department (460 East Pearl Ave).
  - Both Pfizer and the J&J Vaccines are available.
  - Individuals who are under 18 must have a parent or guardian sign their consent form and must be accompanied by someone over 18 years of age.
  - If you received a first dose of the Pfizer vaccine outside of Teton County and need a second dose, please bring your COVID Vaccine card and make sure that you received your first dose at least 17 days before you walk-in.
  - [Book an appointment](#) or walk-in any time *except for* the last 30 minutes of the day.
  - Clinics will be held:
    - Wednesdays from 3PM-7PM
    - Thursdays from 8:30AM-12:00 PM and 1:00PM-3:30PM
    - Fridays from 8:30AM- 12:00PM and 1:00PM-5:30PM
    - Saturdays from 8:30AM-12:30PM

- **Pop-Up Vaccine Clinic at Teton Village on Thursday, June 10<sup>th</sup>** from 1:00PM-5:30PM. Click [here](#) to learn more and book an appointment. Walk-ins also available from 1:00PM-5:00PM.
- For ongoing and general clinic information, visit [www.tetoncountywy.gov/covidvax](http://www.tetoncountywy.gov/covidvax) for frequent updates.
- Call our COVID hotline at 307-732-8628 option 1 between 9AM-4PM Monday-Friday to get assistance or you can email [covidvax@tetoncountywy.gov](mailto:covidvax@tetoncountywy.gov) if you have questions.
- Community members can also book vaccine appointments at [Albertsons](#) and [Smith's Pharmacies](#).
  - Both Pharmacies have the Moderna Vaccine and can accommodate both 1<sup>st</sup> and 2<sup>nd</sup> doses.
  - Smith's also carries J&J Vaccine – currently offering on Thursdays and Fridays but is subject to change.
  - Reach out to them directly to schedule your appointment.
