

COVID-19 Resources and Health Order Updates – July 9, 2021

1) COVID-19 Vaccine Update:

- Vaccines are available for all individuals 12 years and older.
- The **Teton Health Department's Pop-Up COVID-19 Vaccine Clinic** is hitting the road!
 - If you are a business, non-profit, or special event and want to request the Vaccine Bus, please fill out our [Pop-Up Clinic Request Form](#).
 - **Upcoming Pop-Up Schedule (no appointment needed, Moderna and J&J offered):**
 - Monday, July 12th: Kelly Elementary, Moran Elementary, Grand Teton National Park Craig Thomas Discovery and Visitor Center in Moose, and Jackson Hole Airport
 - Tuesday, June 13th: 3-Creek Ranch, Aspens Market, Grand Targhee, Alta Library and Teton Gravity Research (TGR)
 - Wednesday, June 14th: Hoback Market and Jackson Hole Marketplace/The Bird
 - Click [here](#) for more information and to view times for the above schedule.
- Vaccine clinics are held at the Teton County Health Department (460 East Pearl Ave)
 - Due to vaccine supply, Teton County Health Department's COVID-19 Vaccine Clinic will be providing the Moderna COVID-19 Vaccine for all first doses. The vaccine clinic will still have the Pfizer vaccine available for those who are under 18 and for individuals who need a second dose. The Johnson and Johnson vaccine will also be available at the COVID-19 vaccine clinic.
 - Individuals who are under 18 must have a parent or guardian sign their consent form and must be accompanied by someone over 18 years of age.
 - If you received a first dose of the Pfizer vaccine outside of Teton County and need a second dose, please bring your COVID Vaccine card and make sure that you received your first dose at least 17 days before your appointment or you walk-in.
 - If you received a first dose of the Moderna vaccine, please make sure you received your first dose at least 24 days before your appointment or you walk in.
 - [Book an appointment](#) or walk-in any time *except for* the last 30 minutes of the day.
 - Clinics will be held:
 - Wednesdays from 3PM-7PM
 - Thursdays from 8:30AM-12:00 PM and 1:00PM-3:30PM
 - Fridays from 8:30AM- 12:00PM and 1:00PM-5:30PM
 - The last Saturday of the month only - July 31st from 8:30AM-12:30PM
- For ongoing and general clinic information, visit www.tetoncountywy.gov/covidvax for frequent updates.
- Call our COVID hotline at 307-732-8628 option 1 between 9AM-4PM Monday-Friday to get assistance or you can email covidvax@tetoncountywy.gov if you have questions.
- Community members can also book vaccine appointments at [Albertsons](#) and [Smith's Pharmacies](#).
 - Both Pharmacies have the Moderna Vaccine and can accommodate both 1st and 2nd doses.
 - Smith's also carries J&J Vaccine – currently offering on Thursdays and Fridays but is subject to change.

2) SHOTS FOR SWAG!

- It's not too late to sign up for the **Shots for Swag – A Hole Community Vaccination Campaign!**
 - If you've received at least one dose of the vaccine and live or work in Teton County, you could be the lucky winner of weekly prizes or one of many incredible GRAND prizes.
 - The goal of the campaign is for 80 percent of the eligible population in Teton County to be vaccinated against COVID-19 with at least the first dose of the vaccine by the week of July 26, 2021. As July 5th, 71.9% of our eligible population has received at least their first dose.
 - To learn more and to enter the raffle, please visit: <https://shredthespreadjh.com>.

3) COVID-19 Business Toolkit:

- Check out the Teton County Health Department's [Business Toolkit](#). Lots of great resources including testing info, how to talk to your employees about vaccines, etc.

4) Testing Update and Resources:

- **WHEN TO TEST?**
 - **If you have symptoms (vaccinated or not) – test immediately. This includes cold-like symptoms!** Individuals should leave work and isolate from others until they receive negative results (see below if exposed).
 - If exposed to someone who tested positive (you are likely to hear from Public Health):
 - **FULLY VACCINATED** (>2 weeks after last recommended dose): Test if symptomatic and isolate until negative test result received (with some exceptions). Monitor for symptoms for 14 days.
 - **NOT FULLY VACCINATED**: Quarantine and test at appropriate time (immediate if symptomatic; no earlier than day 5 if asymptomatic). Monitor for symptoms for 14 days.
- **SURVEILLANCE TESTING:**
 - Surveillance testing is especially important for those that are unvaccinated and those who work closely with travelers, vulnerable populations, and those who work in communal living environments.
 - Individuals *may* test if fully vaccinated. Being vaccinated will not affect your results.
 - **We ask that if you are interested, please re-enroll by filling out the new [Business Surveillance Testing Sign-Up Form](#). We have sunsetted our previous list on July 1st.**
 - You may fill out the form for each employee yourself or give to your employee directly.
 - If you are new to surveillance testing and would like more information please email covid-testing@tetoncountywy.gov or check out our website [Business Surveillance Testing](#).
- **FREE CURATIVE TESTS:**
 - Curative has shifted tests to a **shallow nasal swab**.
 - Kiosk Locations:
 - Teton County Library Parking Lot (open from Monday through Friday 8AM – 3:30PM)
 - **NEW LOCATION AND TIME:** Jackson Home Ranch Welcome Center Parking Lot (open from Monday through Friday 7:30AM - 3PM)
 - Walk-ins welcome or make your appointment on [curative.com](https://www.curative.com).
 - Print and post the **updated 7.2.21 Curative Testing Flyer** in [English](#) and [Spanish](#) to promote free COVID-19 testing for both locals and visitors. Reach out if you would like to request copies.
- **FREE VAULT SALIVA TESTS:**
 - Vault tests are still available to order for free for [individuals](#) and [businesses](#).
 - Also available to pick up outside the Teton County Health Department.

5) [Updated Statistics](#):

- We are seeing a small rise in confirmed cases here, so while we've done a good job at staying in the green, we are slowly creeping up in the # of cases and the impact that COVID is putting on our hospital resources.
- Between June 23, 2021 and July 7, 2021 Teton County detected 9 new cases. This is a 50% increase from the previous two-week period.
- 0.57% of COVID-19 tests in the past two weeks were positive.
- 44% of cases in the past two weeks have been due to community spread.
- As of 7/7/2021 there were 8 known active cases in Teton County.

6) [Health Orders and Recommendations](#):

- **Statewide Health Orders**
 - There are no Statewide Health Orders currently in place.
- **Face Covering Order/Mask Updates**
 - Teton County Health Department recommends community members to continue to follow the [CDC's guidance for mask usage](#).
 - [Federal Mask Mandate](#) for federal buildings and federal lands.
 - CDC has a Requirement for Persons to Wear Masks While on Conveyances and at Transportation Hubs. Learn more [here](#) and [here](#).
 - [TSA Security Directive for Airports/Airplanes](#) which is valid through September 13, 2021.
- **COVID -19 Guidance**
 - Teton County Health Department recommends that businesses and organizations follow COVID-19 guidance as developed by CDC. Read specific sector guidance by clicking [here](#).
