- They cannot file for both unemployment and Workers Compensation.

### 2) Reminder:

- Close contact to a positive case is defined as 6 feet or less for 15 minutes or more, whether you are unmasked/masked and or inside/outside. (Exception is in K-12 schools where both students are masked). BUT by wearing a mask you are protecting yourself and neighbors from getting sick from COVID and reducing COVID-related hospitalizations and overburdening our healthcare system.
