For Immediate Release

Off-leash Dog Park Opens at Fairgrounds

November 2, 2023, Jackson, Wyo. – The seasonal off-leash dog park located at the Teton County Fairgrounds is now open for the winter season.

In collaboration with PAWS of Jackson Hole, Teton County/Jackson Parks & Recreation has provided the chain link fence enclosure with double doored entrances at the west end of the Fairgrounds on Snow King Avenue. The temporary dog park will remain open until May 1, 2024, weather depending.

PAWS of Jackson Hole, a non-profit partner, is providing mutt mitts and handling refuse collection for proper disposal. Please be respectful of others using the facility and clean up after your pet.

If residents have questions, please contact Parks Manager Andy Erskine at aerskine@tetoncountywy.gov.
